

**HARRISONBURG ELECTRIC COMMISSION**  
**SCHEDULE 206**  
**GENERAL SERVICE**

- I. **APPLICABILITY:** This Schedule is applicable to all general purposes of any Customer whose measured demand is less than 30 kw or whose load is of such a nature not to cause abnormal or undesirable load peaks, in which case such Customer may be required at the discretion of the Distributor to contract for service under other schedules.
- II. **CHARACTER OF SERVICE:** Service supplied shall be alternating current, single phase or three phase, 60 cycles. Voltage supplied will be at the discretion of the Distributor and will be determined by the voltage available from distribution lines in the vicinity and/or other conditions. All services installed will be overhead services unless otherwise provided for.
- III. **MONTHLY RATE—206**
- a. **Basic Customer Charge**  
Basic Customer Charge \$9.50 per billing month
  - b. **Plus kwh Charge**
    - First 800 kwh @ \$0.10050 per kwh = \$80.40
    - Next 2200 kwh @ \$0.09050 per kwh = \$199.10
    - Excess over 3000 kwh @ \$0.06875 per kwh
  - c. Monthly minimum charge will be \$9.50 per billing month.
  - d. **Fuel Adjustment:** Each kilowatt-hour used is subject to adjustment for charges in fuel costs, provided such fuel costs are charged to the Distributor by its supplier.
  - e. **Wholesale Power Adjustment:** From time to time the Distributor may charge the Customer for additional wholesale power cost charged the Distributor by its supplier. The charge will be added to each kilowatt-hour purchased by the Customer.
- IV. **DETERMINATION OF KW DEMAND:** The KW of demand will be determined each month or billing period by using the highest average KW load measured over any period of 30 consecutive minutes. Demand shall be measured at the option of the Distributor using a 30 minute interval thermal demand meter or 30 minute interval mechanical demand meter.
- V. **BILLING AND PAYMENT:** All bills will be rendered monthly and are due when rendered. If not paid on or before the past due shown on the bill, a 5% delayed payment charge may be added. If payment of bill is received after past due date the delayed payment charge may be included in the next month's bill. Waiver of delayed payment charge can only be made by the Commission, and will be considered only upon written explanation of reason for the request.
- VI. **OTHER CHARGES:** Customers supplied under this schedule are subject to deposits, connection charges, fees, taxes, etc. as set forth in Schedule No. 11 of the Distributors Schedule of Rates and Charges.
- VII. **SINGLE-POINT DELIVERY:** The above rates are based upon the supply of service through a single delivery and metering point and at a single voltage. Separate supply for the same Customer at other points of use or a different phase or voltage will be separately metered and billed.
- VIII. **TERM OF CONTRACT:** The term of service under this Schedule shall be as mutually agreed upon but never less than one year.
- IX. **RULE AND REGULATIONS:** Service under the above rate is subject to the Schedule of Rules and Regulations, as amended, of the Distributor, which constitute a part of these rates.
- X. Schedule 6 Example (Does not include applicable taxes or fuel adjustment) on page 2
